

BLEND VINYL & NITRILE

Intco Black Synmax Exam Gloves

100 gloves / box
10 boxes / case

Compliant with ASTM D5250 FDA 510K & Health Canada

INTCO blend exam gloves of nitrile and vinyl help reduce the risk of spreading infection or disease. They are non-sterile, latex and powder free. This product is an economical and effective choice against unwanted and hazardous substances, such as potentially infectious liquids and materials. They complete the range of personal protective equipment designed for the vast majority of professional and medical operations.

Ideal for healthcare workers, first responders, dental offices, beauty treatments and nursing homes.
